Hi <Contact\_First\_NM>,

March 17, 2023

We are pleased to let you know that your Township has chosen Dynegy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In November 2015, your community gave the Township Trustees the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

**Here's What You Can Expect**

- The program is simple! You're automatically enrolled and there's no enrollment, switching or early termination fees.
- You'll receive a guaranteed, fixed rate of 6.860¢ per kWh through your May 2025 meter read.
- You should see the new price on your bill within one or two billing cycles of receiving this letter!
- You will continue to receive one monthly bill from your local utility, Duke Ohio. You'll notice that Dynegy will show as a line item for the supply portion on your bill.

**Secure Rate**  
+  
**Satisfaction Guaranteed**  
+  
**Trusted by Millions**

**Don't want to participate?**

Just complete and return the reply card below or call Dynegy at 888-682-2170 by April 7, 2023. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by Duke Ohio under its standard service offer until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility.
