Welcome to the
Marlboro Township
Electric Aggregation Program

Hi <Contact_First_NM>,

October 11, 2024

We are pleased to let you know that your community of the Marlboro Township has chosen Dynegy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In May 2010, a majority of voters in your community gave the Marlboro Township the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

Here's What You Can Expect

- The program is simple! You are automatically enrolled and there is no enrollment, switching or early termination fee.
- You will receive a guaranteed, fixed rate of 6.95 ¢ per kWh through your December 2025 meter read.
- Or choose to opt-in to the 100% Green Energy rate of 7.25 ¢ per kWh. Please call us for this option.
- Nothing will change! Continue to receive one monthly bill from your local utility, Ohio Edison. You'll notice that Dynegy will now show as a line item for the supply portion on your bill.
- If you have any questions regarding the program, call Dynegy at 888-682-2170.
- Ohio Edison will send you a confirmation letter after your enrollment is finalized.

Don't want to participate?

Just complete and return the reply card below or call Dynegy at 888-682-2170 by **November 1, 2024**. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by Ohio Edison under its standard service offer or until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility.

To learn more about the program, please see the enclosed terms and conditions or visit
