Welcome to the
Anderson Township
 Electric Aggregation Program

Hi <Contact_First_NM>,

April 20, 2023

We are pleased to let you know that Anderson Township has chosen Dynegy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In November 2016, your community gave the Township Trustees the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

Here's What You Can Expect

- The program is simple! You're automatically enrolled and there's no enrollment, switching or early termination fees.
- You'll receive a guaranteed, fixed rate of 7.145¢ per kWh through your May 2025 meter read.
- Want to help the environment? The Anderson Township Aggregation Program offers eligible homeowners and businesses a 100% renewable electricity option for just 7.511¢ per kWh, please call Dynegy at the number listed below to opt into this offer. It's easy and affordable to be green!
- You should see the new price on your bill within two billing cycles of receiving this letter.
- You will continue to receive one monthly bill from your local utility, Duke Energy. You'll notice that Dynegy will show as a line item for the supply portion on your bill.
