Welcome to the
City of Delaware
Electric Aggregation Program

Hi <Contact_First_NM>,

April 17, 2023

We are pleased to let you know that the City of Delaware has chosen Dynergy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In November 2022, City of Delaware voters gave City Officials the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

Here's What You Can Expect

- The program is simple! You are automatically enrolled and there is no enrollment, switching or early termination fee.
- You will receive a guaranteed, 100% Renewable fixed rate of \$0.07090 per kWh through your June 2025 meter read.
- Or choose to opt in to the Traditional(Brown) energy rate of \$0.06720 per kWh. Please call us for this option at 888-682-2170.
- Nothing will change! Continue to receive one monthly bill from your local utility, AEP Ohio. You'll notice that Dynergy will now show as a line item for the supply portion on your bill.
- AEP Ohio will send you a confirmation letter after your enrollment is finalized.

Don't want to participate?

Just complete and return the reply card below or call Dynergy at 888-682-2170 by May 8, 2023. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by AEP Ohio under its standard service offer or until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility.

To learn more about the program, please see the enclosed terms and conditions or visit <https://www.dynergy.com/municipal-aggregation/communities-we-serve/Ohio/Delaware>.

With much appreciation,
City of Delaware & Dynergy
