Welcome to the
City of Marion
 Electric Aggregation Program

Hi City of Marion Resident and Business,

April 14, 2023

We are pleased to let you know that the City of Marion has chosen Dynegy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In November 2000, Marion voters authorized the Marion City Council to form a governmental aggregation program to negotiate a favorable price and terms for electricity supply for City residences and businesses. We are very proud to have been chosen to serve you!

Here's What You Can Expect

- The program is simple! You are automatically enrolled and there's no enrollment, switching or early termination fee.
- You will receive a guaranteed, fixed rate of 6.710¢ per kWh through your June 2025 meter read.
- Nothing will change! Continue to receive one monthly bill from your local utility, Ohio Edison. You will notice that Dynegy will now show as a line item for the supply portion on your bill.
- Ohio Edison will send you a confirmation letter after your enrollment is finalized.

If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by Ohio Edison under its standard service offer or until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility.

With much appreciation,
