Welcome to the
Village of Arlington
Electric Aggregation Program

Hi Village of Arlington Resident and Business,

April 7, 2023

We are pleased to let you know that the Village of Arlington has chosen Dynegy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In May 2015, your Village of Arlington voters gave the Village Officials the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

Here's What You Can Expect

- The program is simple! You are automatically enrolled and there's no enrollment, switching or early termination fee.
You will receive a guaranteed, fixed rate of 7.250¢ per kWh through your June 2026 meter read. Or choose 100% renewable energy for 7.670¢ per kWh. Please call us for this option.
- Nothing will change! Continue to receive one monthly bill from your local utility, AEP Ohio. You will notice that Dynegy will now show as a line item for the supply portion on your bill.
- AEP Ohio will send you a confirmation letter after your enrollment is finalized.

Don't want to participate?

Just complete and return the reply card below or call Dynegy at 888-682-2170 by April 28, 2023. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by AEP Ohio under its standard service offer or until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility.

To learn more about the program, please see the enclosed terms and conditions or visit <https://www.dynegy.com/municipal-aggregation/communities-we-serve/Ohio/Arlington>.

With much appreciation,
Village of Arlington & Dynegy
