

Welcome to the
Village of Galena (Delaware)
Electric Aggregation Program

April 12, 2024

Hi Village of Galena Residents and Small Businesses,

We are pleased to let you know that your community of the Village of Galena (Delaware) has chosen Dynegy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In November 2023, a majority of voters in your community gave the Village of Galena the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

Here's What You Can Expect

- The program is simple! You are automatically enrolled and there is no enrollment, switching or early termination fee.
You will receive a guaranteed, fixed rate of 6.862 ¢ per kWh through your June 2025 meter read.
Nothing will change! Continue to receive one monthly bill from your local utility, AEP Ohio. You'll notice that Dynegy will now show as a line item for the supply portion on your bill.
If you have any questions regarding the program, call Dynegy at 888-682-2170.
AEP Ohio will send you a confirmation letter after your enrollment is finalized.
