

The Village of Hartville

Welcome to the
Village of Hartville
Electric Aggregation Program

July 17, 2024

Dear Village of Hartville Residents and Small Businesses,

We are pleased to let you know that the Village of Hartville has chosen Dynegy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In May 2010, your community gave the Village of Hartville the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

Here's What You Can Expect

- The program is simple! You're automatically enrolled and there's no enrollment, switching or early termination fee.
- You'll receive a guaranteed, fixed rate of 6.680 cents per kWh through your May 2026 meter read.
- Nothing will change! Continue to receive one monthly bill from your local utility, Ohio Edison. You'll notice that Dynegy will now show as a line item for the supply portion on your bill.
- Ohio Edison will send you a confirmation letter after your enrollment is finalized.
