

Welcome to the  
Village of Weston  
Electric Aggregation Program

March 11, 2024

Hi Village of Weston Residents and Small Businesses.

We are pleased to let you know that your community of the Village of Weston has chosen Dynegy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In November 2011, your community gave the Village of Weston Council the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

**Here's What You Can Expect**

- The program is simple! You're automatically enrolled and there's no enrollment, switching or early termination fee.
- You'll receive a guaranteed, fixed rate of \$0.06875 per kWh through your May 2025 meter read. Or choose 100% renewable energy for \$0.07230 per kWh. Please call us for this option.
- Nothing will change! Continue to receive one monthly bill from your local utility, Toledo Edison. You'll notice that Dynegy will now show as a line item for the supply portion on your bill.
- Toledo Edison will send you a confirmation letter after your enrollment is finalized.

Just complete and return the reply card below or call Dynegy at 888-682-2170 by April 1, 2024. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by Toledo Edison under its standard service offer or until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility.

With much appreciation,
