Welcome to the
Village of Ridott
Electric Municipal Aggregation Program

November 12, 2021

Hi Village of Ridott Resident,

We have good news for you. After a competitive selection process, your community has chosen Dynegy as its supplier for its electric municipal aggregation program through January 2025. That means Village of Ridott, IL negotiated a price-protected electricity rate on your behalf and you do not have to worry about fluctuating rates. You will automatically be enrolled in the program as a Village of Ridott resident – and there are no switching or early termination fees.

Here is What You Can Expect

The program is simple:

- You will receive a competitive, fixed rate of **\$0.06109 per kWh guaranteed until January 2025**.
- Your current billing method will not change. You will continue to receive one monthly invoice from ComEd, your local utility. You will notice the line item under the supply portion will list Dynegy along with this negotiated rate on your invoice following successful enrollment in the program.

Your Options as a Customer

If you choose not to participate in this program, please contact Dynegy by returning the enclosed opt out card or calling (844) 351-7691 **by December 3, 2021** regardless if you have opted out of programs in the past. To learn more about the program, please review the enclosed Terms and Conditions or visit our website at www.Dynegy.com.

You also have the option to purchase electricity from a Retail Electric Supplier, or from ComEd without penalty pursuant to Section 16-103 of the Public Utilities Act. Information can be found at www.PlugInIllinois.org and www.ComEd.com. You may request from the Illinois Power Agency, without charge, a list of all supply options available to you in a format that allows comparison of prices and products.

Dynegy is an independent seller of power and energy service and is certified as a Retail Electric Supplier by the Illinois Commerce Commission (ICC Docket No. 14-0336).

We look forward to serving you!

Sincerely,
Village of Ridott
