Dear Township of Seward Resident,

Previously, voters passed a referendum authorizing the **Township of Seward** to seek competitive electricity rates for eligible residential and small commercial retail customers by establishing an "opt-out" electric aggregation program. Dynegy was chosen as the retail electric supplier for the current term, which ends in **August 2020**. After a thorough bid process, Dynegy was again selected as the supplier for contract term of **August 2020-August 2023**. Dynegy is an independent seller of power and energy service and is certified as an Alternative Retail Electricity Supplier by the Illinois Commerce Commission (ICC Docket No. 14-0336).

PROGRAM DETAILS

As an eligible participant, there are two supply options available to you – a Traditional option where the energy is supplied through traditional generation sources and a 100% Renewable option where 100% of your energy comes from renewable energy sources. Participants will be automatically enrolled in the Traditional program unless you call and request the 100% Renewable or "Green" energy option. If you are currently enrolled in the Renewable Power Program, you will continue in that program at the new rate. If you do not want to participate in either program, you can choose to opt-out by returning the enclosed card before **July 6, 2020**.

- The rate for the Traditional Power Program is **\$0.05772 per kWh** and is guaranteed until **August 2023**.
- The rate for the Renewable Power Program is **\$0.05862 per kWh** and is guaranteed until **August 2023**.
- There is no enrollment, switching or early termination fee.
- This is a firm fixed all inclusive rate.

NO CHANGES IN YOUR BILLING

You will continue to receive one monthly bill from ComEd. You will still be eligible for the same programs you are eligible for now through the utility, such as Budget Billing, payment agreements and energy efficiency programs. The only change will be in the Electric Supply price on your ComEd bill

(<https://www.comed.com/MyAccount/MyBillUsage/Pages/SampleResidentialBill.aspx>).

ENROLLMENT PROCESS

Once your account is enrolled, you will receive a confirmation letter from ComEd confirming your "switch" to Dynegy. Approximately 30 to 45 days after enrollment you will receive your first bill with your new Dynegy price. Please review the enclosed Terms and Conditions for additional information.

OPT-OUT INSTRUCTIONS

If you choose not to participate, you can elect to be removed from the Program by completing and returning the enclosed Opt-Out Card or calling Dynegy at 844-351-7691 by **July 6, 2020**. **If you opted out previously and still do not wish to participate, please return the enclosed card.** If you have questions or need additional information about Municipal Aggregation or Dynegy, please visit www.Dynegy.com for FAQs and community specific information.
