

TOWN OF FOXBOROUGH
FOXBOROUGH POWER FORWARD
MUNICIPAL ELECTRICITY PROGRAM
NOTIFICATION LETTER

January 19, 2021

Dear Foxborough Electricity Service Customer,

This letter contains important information about your electricity bill.

The Town of Foxborough has an electricity aggregation program called **Foxborough Power Forward**. This program will change your electricity supplier and the price that is used to calculate the supply services portion of your National Grid electricity bill.

If you received this letter, you will be automatically enrolled in Foxborough Power Forward, unless you choose not to participate, in accordance with state law.

Your opt-out request must be postmarked by February 22, 2021, to avoid automatic enrollment in the program.

If you do not opt out, you will be enrolled in Power Forward Standard at a price of 10.367 ¢/kWh

- If you participate: National Grid will remain your electric utility. You will continue to receive your electricity bill from them and call them if the power goes out. However, Dynegy will be listed on your bill as your electricity supplier, and National Grid will use the Foxborough Power Forward price to calculate the supply services portion of your bill. National Grid's delivery charges will be unaffected.
- If you do not participate: National Grid will continue to calculate the supply services portion of your bill using their Basic Service price.

Program Benefits

Potential savings - Foxborough Power Forward offers a long-term price with the potential for savings compared to National Grid's Basic Service prices. However, because National Grid's Basic Service prices change every 6 months for residential and commercial customers and every 3 months for industrial customers and their future prices are not known, savings compared with National Grid cannot be guaranteed.

Choice - The program offers you two options as alternatives to National Grid's Basic Service: 1) Power Forward Standard is the default program offering and meets minimum state renewable energy requirements. 2) Power Forward Green is a program option that provides 100% of your electricity from renewable sources. You will be automatically enrolled in Power Forward Standard, but you may choose Power Forward Green. *(Details for both on back.)*

Price stability - Your electricity supply price will not change before your October 2022 meter read. Long-term price stability makes the program different from National Grid's Basic Service and from many commercial electricity supply offers in the marketplace.

If you are on a budget plan or are eligible for a low-income rate or fuel assistance, you will continue to receive those benefits as a participant.

Foxborough Power Forward

Your New Electricity Supply Price

10.367 ¢/kWh

This price will be fixed until your October 2022 meter read. Compare to National Grid's prices on the back. ▶

Don't Want to Participate?

Participation is not required. There is no penalty or fee to opt out of the program, and you may opt out at any time.

If you choose not to participate, you will remain on National Grid's Basic Service pricing.

To opt out before being enrolled, do one of the following before **February 22, 2021**:

- ▶ Sign & return the enclosed postcard (must be postmarked no later than **February 22, 2021**), call customer support at **1-844-241-8596**, or opt out online at **MassPowerChoice.com/Foxborough**.

To opt out in the future, do one of the following at any time:

- ▶ Call custom support at **1-844-241-8596** or opt out online at **MassPowerChoice.com/foxborough**.

Program Options & Pricing

1. If you do nothing, you will be automatically enrolled in POWER FORWARD STANDARD:		10.367* ¢/kWh for residential, commercial, and industrial accounts
Renewable energy content	Meets Massachusetts minimum renewable energy requirements (18% MA Class I RECs in 2021).	
Rate term	Enrollment - October 2022 meter read.	
Exit terms	Leave any time. No exit charge.	
2. If you want 100% green energy, you may choose POWER FORWARD GREEN:		13.223* ¢/kWh for residential, commercial, and industrial accounts
*** To choose POWER FORWARD GREEN, call customer support at 1-844-241-8596 ***		
Renewable energy content	100% renewable electricity from the New England region (100% MA Class I RECs)	
Rate term	Enrollment - October 2022 meter read.	
Exit terms	Leave any time. No exit charge.	
3. If you choose to opt out, you will remain on NATIONAL GRID'S BASIC SERVICE:		12.388 ¢/kWh residential 10.763 ¢/kWh commercial 10.239 ¢/kWh industrial
Renewable energy content	Meets Massachusetts minimum renewable energy requirements (18% MA Class I RECs in 2021).	
Rate term	November 1, 2020 - April 30, 2021, for residential and commercial accounts. February 1, 2021 - April 30, 2021, for industrial accounts. National Grid's fixed Basic Service rates change every 6 months for residential and commercial accounts and every 3 months for industrial accounts.	
Exit terms	Leave any time. No exit charge. However, industrial customers only (rates G-2 and G-3) on the fixed price Basic Service option may receive a billing adjustment, which may be either a credit or a charge.	

* The Power Forward Standard price and Power Forward Green price both include a \$0.001/kWh administrative fee. Program prices could increase as a result of a change in law that results in a direct, material increase in costs during the term of the electricity supply agreement.

Frequently Asked Questions

Are savings guaranteed? No. National Grid's fixed Basic Service rates change every 6 months or less, depending on what kind of customer you are. Savings in one rate period do not guarantee savings in subsequent rate periods. The National Grid price will next change on May 1, 2021, for residential, commercial, and industrial accounts.

I have signed my own contract with an electricity supplier. Will I be automatically enrolled? If you have already established a contract with a different electricity supplier, you should not be automatically enrolled. However, if you received this letter and you also have an existing electricity supply contract that you wish to preserve, you *must* opt out of the program. Failure to opt out will result in your enrollment in the program and the termination of your enrollment with your current supplier.

I have a tax exempt account. How can I retain my account's tax-exempt status? Taxes will be billed as part of the program's power supply charge. Customers are responsible for identifying and requesting an exemption from the collection of any tax by providing appropriate tax exemption documentation to Dynege. Visit MassPowerChoice.com/Foxborough for information on where to submit your documentation.

For more information, please visit MassPowerChoice.com/Foxborough. If you have any additional questions, please do not hesitate to contact customer support at Foxborough@MassPowerChoice.com or 1-844-241-8596. Our Town consultants will be happy to help you.

William Keegan, Jr.
