

THE TOWN OF WHATELY'S COMMUNITY CHOICE POWER SUPPLY PROGRAM CONSUMER NOTIFICATION

June 19, 2020

Dear Whately Basic Service Consumer:

The Town of Whately is pleased to announce that **Dynegy Energy Services** (“Dynegy”) has been selected as the supplier for its Community Choice Power Supply Program (“Program”). This Program is a municipal aggregation which enables local government to combine the purchasing power of its residents and businesses to provide them with an alternative to Eversource Basic Service (M.G.L. c. 164, § 134). This Program only affects the supply portion of your monthly bill. It will not affect the delivery portion of your monthly bill. Eversource will continue to deliver your electricity but Whately has chosen the supplier for the Program. Dynegy will provide electric power supply for all consumers currently on Basic Service in Whately. This letter is intended to tell you about this Program for electric power supply. In accordance with state law, it also informs you of your rights and options if you choose not to participate in the Program.

- ✓ **YOU WILL BE AUTOMATICALLY ENROLLED IN THIS PROGRAM UNLESS YOU CHOOSE NOT TO PARTICIPATE AND OPT-OUT.**
- ✓ **YOU MUST RESPOND BY JULY 22, 2020 IF YOU DO NOT WISH TO BE AUTOMATICALLY ENROLLED.**

YOU WILL NOT NOTICE ANY CHANGE IN YOUR ELECTRICITY SERVICE. The only difference you will see is that Dynegy will be printed under the “Supplier Services” section of your monthly bill. You will continue to receive one bill from Eversource. You will continue to send your payments to Eversource for processing. Eversource will continue to respond to emergencies, read meters and maintain the distribution and transmission lines. Reliability and quality of service will remain the same. Furthermore, you will continue to have all existing consumer rights and protections.

IMPORTANT INFORMATION

- At Program launch, the Residential aggregation rate is lower than Eversource's Basic Service rate. The aggregation rate is fixed for the first 5 months (August 2020 to December 2020), then changes and is fixed for the remaining 36 months (January 2021 to January 2024) while Eversource's Basic Service rate changes twice a year, in January and July. As a result, the aggregation rate may not always be lower than Eversource's Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against Eversource's Basic Service rate. However, **SUCH SAVINGS AND FUTURE SAVINGS CANNOT BE GUARANTEED.**
- There is **NO CHARGE TO OPT-OUT** of the Program and return to Eversource Basic Service.
