Dear Addison Residents and Businesses,

We are writing to tell you about the Addison Township’s next Electric Aggregation Program. In May, 2014, Addison voters authorized the Addison Township Trustees to form a governmental aggregation program to negotiate a favorable price and terms for electricity supply for Township residences and businesses. Addison Officials have selected Dynegy, a competitive retail electric service provider, as the supplier for a 36-month program that offers a fixed rate for the term of April 2018 through April 2021 meter read cycles.

Here’s What to Expect:

- You receive a **Fixed Electricity Price** of **5.19¢/kWh** through your April 2021 meter reading.
- You receive **one energy bill** including the Dynegy charge from AEP Ohio, your local utility.
- After your enrollment is finalized, AEP Ohio will send you a confirmation letter.
- You can leave the aggregation program without penalty, anytime.

You’re Automatically Enrolled

There is no cost to enroll. Enrollment is automatic for those who are eligible, but participation is voluntary. You may opt-out of this program without penalty by **February 12, 2018** or leave the program at any time for any reason by providing notice to Dynegy. Please see the enclosed terms and conditions for full details of the program.

How to Opt-Out

If you do not wish to participate, please complete and return the reply card below or call Dynegy, the electric supplier, at 888-682-2170 by **February 12, 2018**. If you choose to opt out, you will be served by AEP Ohio under its standard service offer or until you choose an alternative electric supplier. If you switch back to your local utility, you may not be served under the same rates, terms, and conditions.

For questions, contact Dynegy at DynegyCustomerService@dynegy.com, call 888-682-2170 or visit Dynegy.com/Addison.

We look forward to providing this program.

Sincerely,
Addison Township and Dynegy
