Welcome to the
 Ashland County
 Electric Aggregation Program

Hi <Contact_First_NM>,

March 19, 2021

We are pleased to let you know that Ashland County has chosen Dynergy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In May 2010, Ashland County voters authorized the County Commissioners to form a governmental aggregation program to negotiate a favorable price and term for electric supply for County residences and businesses. We are very proud to have been chosen to serve you!

Here's What You Can Expect

- The program is simple! You're automatically enrolled and there's no enrollment, switching or early termination fee.
- You'll receive a guaranteed, fixed rate of 4.62 cents per kWh through your December 2023 meter read.
- Nothing will change! Continue to receive one monthly bill from your local utility, Ohio Edison. You'll notice that Dynergy will now show as a line item for the supply portion on your bill.
- Ohio Edison will send you a confirmation letter after your enrollment is finalized.

Just complete and return the reply card below or call Dynergy at 888-682-2170 by April 9, 2021. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by Ohio Edison under its standard service offer or until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility.

With much appreciation,
