Dear Ashland County Residents and Businesses,

Ashland County is offering you an opportunity to participate in their Electric Aggregation Program. In May 2010, Ashland County voters authorized the County Commissioners to form a governmental aggregation program to negotiate a favorable price and terms for electricity supply for County residences and businesses. The County Commissioners are pleased to announce that Dynergy has been selected as the Supplier for its program.

Here's What to Expect:

- You receive a **Fixed Electricity Price of 4.88 ¢/kWh** through your May 2021 meter reading.
- **No cancellation fees at any time!**
- You receive **one energy bill** including the Dynergy charge from Ohio Edison, your local utility.
- After your enrollment is finalized, Ohio Edison will send you a confirmation letter.
- You can leave the aggregation program without penalty, anytime.

You're Automatically Enrolled

There is no cost to enroll. Enrollment is automatic for those who are eligible, but participation is voluntary. You may opt-out of this program without penalty by **April 15, 2019** or leave the program at any time for any reason by providing notice to Dynergy. Please see the enclosed terms and conditions for full details of the program.

How to Opt-Out

If you do not wish to participate, please complete and return the reply card below or call Dynergy, the electric supplier, at 888-682-2170 by **April 15, 2019**.
