Dear Arlington Residents and Businesses,

We are writing to tell you about the Village of Arlington’s next Electric Aggregation Program. In May 2015, Arlington voters gave the Arlington Council the authority to form a governmental aggregation program to negotiate a favorable electric supply price and terms for its residences and businesses. Arlington Council is pleased to announce that Dynergy has been selected as the Supplier for its program.

Here’s What to Expect:

- You receive a Fixed Electricity Price of 4.99¢/kWh through August 2021 meter reading.
• You receive one energy bill including the Dynergy charge from AEP Ohio, your local utility.
• After your enrollment is finalized, AEP Ohio will send you a confirmation letter.
• You can leave the aggregation program without penalty, anytime.

You’re Automatically Enrolled

There is no cost to enroll. Enrollment is automatic for those who are eligible, but participation is voluntary. You may opt-out of this program without penalty by July 31, 2019 or leave the program at any time for any reason by providing notice to Dynergy. Please see the enclosed terms and conditions for full details of the program.

How to Opt-Out

If you do not wish to participate, please complete and return the reply card below or call Dynergy, the electric supplier, at 888-682-2170 by July 31, 2019. If you choose to opt out, you will be served by AEP Ohio under its standard service offer or until you choose an alternative electric supplier. If you switch back to your local utility, you may not be served under the same rates, terms, and conditions.

For questions, contact Dynergy at DynergyCustomerService@dynergy.com, call 888-682-2170 or visit https://www.dynergy.com/municipal-aggregation/communities-we-serve/Ohio/Arlington .

Sincerely,
