

Welcome to the
City of Beavercreek
Electric Aggregation Program

January 28, 2022

We are pleased to let you know that the City of Beavercreek has chosen Dynegy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In November 2003, your City of Beavercreek gave the City Council the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

Here's What You Can Expect

- The program is simple! You're automatically enrolled and there's no enrollment, switching or early termination fees.
- You'll receive a guaranteed, fixed rate of 4.580 cents per kWh through your August 2023 meter read
- If you'd prefer 100% renewable energy for 4.930 cents per kWh, please call Dynegy at the number listed below to opt into this offer.
- You should see the new price on your bill within two billing cycles of receiving this letter!
- You will continue to receive one monthly bill from your local utility, AES Ohio. You'll notice that Dynegy will show as a line item for the supply portion on your bill.
