Dear Cincinnati Residents and Businesses,

The City of Cincinnati is offering you an opportunity to participate in an Electric Aggregation Program. In 2011, Cincinnati voters authorized the City to form a governmental aggregation program and negotiate favorable electric supply prices for eligible residences and businesses. Through a competitive process, the City recently selected Dynergy as the program supplier through your May 2020 meter read. In 2016, the Aggregation program saved residents an average \$37 and businesses \$50 per year, for a cumulative savings of 1.5 million dollars. Both the City of Cincinnati and Dynergy are certified by the Ohio Public Utilities Commission to provide this service. As an eligible resident or small business, you will be automatically enrolled in the program unless you choose to opt-out (not participate) by **April 14, 2017**.

Program details:

- **Fixed Electricity Price** that automatically lowers every May!
 - **\$0.0557 per kWh** – May 2017 to May 2018 (on your meter read date)
 - **\$0.0541 per kWh** – May 2018 to May 2019 (on your meter read date)
 - **\$0.0509 per kWh** – May 2019 to May 2020 (on your meter read date)
- **100% green energy**
- **You still receive just one energy bill** from Duke Energy.
- **No cancelation fee at any time!**
- Duke Energy continues to deliver your electricity and maintain the electric lines and respond to emergencies.

Program Enrollment

After your enrollment is finalized, Duke Energy will send you a letter confirming your enrollment and informing you of your ability to cancel your enrollment with no penalty.

If you do not wish to participate, you must opt-out no later than **April 14, 2017**. You can do this by completing and returning the reply card below or calling us toll-free at 855-326-0520.

If you choose to opt out (not participate), you may do so at no charge during this initial enrollment period and you will not be served by Dynergy.
