

ABOUT THE PROGRAM

What is an Electric Aggregation Program?

Aggregation is an opportunity for cities, townships and counties to negotiate competitive electric supply prices and provide budget stability for their residents and small businesses.

First, residents must vote to give their township trustees the ability to negotiate electric prices for their community. Once a referendum is passed, townships are able to aggregate and elected officials can work with alternative energy suppliers to negotiate competitive electric prices.

In 2018, Clay Township voters authorized the Board of Trustees to form an aggregation program.

<https://www.dynegy.com/municipal-aggregation/communities-we-serve/Ohio>

How was Dynegy chosen as the supplier?

The Clay Township implemented a formal process where proposals from multiple suppliers were submitted for consideration. Dynegy was ultimately selected by the Township.

ELIGIBILITY AND ENROLLMENT

Who is eligible to participate?

Residential and small business customers located in the Clay Township may participate. Customers enrolled in PIPP (Percentage of Income Plan) are not eligible. If you are served by an alternative retail supplier you will not be included in the initial program; however, you can call to be enrolled.

How do I enroll?

It's simple. It's automatic. Unless you "opt-out" of the program, all eligible customer accounts within the Clay Township boundaries will be enrolled in the program as long as they are not participating in one of the programs mentioned above. You will receive a "switch" letter from DP&L, confirming your enrollment.

Do I have to participate in the program?

All eligible DP&L customers within the Clay Township will receive an opt-out notification letter via U.S. mail. You may "opt-out" by returning the Opt-Out card by the deadline date identified in your notification. If you choose to opt-out, your account remains with DP&L at their current utility rate.

If I don't want to be a part of the program, why do I have to opt-out?

The voters authorized the Clay Township to develop an aggregation program where each resident and small business is automatically enrolled. Therefore, if you prefer not to participate, you must opt out of the program.

What if I decide to opt-out after the deadline?

You may opt out at any time by notifying us via telephone, email, or mail. There is no cancellation fee.

RATE AND TERM INFORMATION

What are the Rates & Terms for this Program?

The price for electricity will be:

- \$0.04830 per kWh – June 2019 to June 2022 (on your meter read date)

Customers who are enrolled in the program should see the changes on their monthly electric bill 45 to 60 days after enrollment.

What if DP&L's rates decrease?

If at any time during the term of this Agreement DP&L's rates fall lower than the Dynegy price, you will have the option to return to the utility, DP&L, without penalty.

What happens at the end of the Agreement term?

At the end of the Agreement term, as defined in the Terms and Conditions you have the option of staying with a new Clay Township Aggregation program, returning to DP&L, or signing with a new supplier independent of the Township's Aggregation program.

BILLING AND SERVICE

Who will bill me for electricity? Will I get two bills?

You will continue to receive one monthly bill from DP&L. The bill will include the charges for electricity supplied by Dynegy, as well as the delivery service charges from DP&L.

Can I still have my payment automatically deducted from my checking account?

Yes, how you pay your bill will not change.

Who is responsible for the delivery of power to my home or business?

DP&L will continue to deliver your electricity and will be responsible for maintaining the system that delivers power into your home. As your energy delivery company, they will continue to respond around-the-clock to outages, service calls and emergencies regardless of your electric supplier.

Who do I call to report a power outage or problems with my electric service?

You will continue to call DP&L at 877.468.8243 for power outages, problems with your service or questions regarding your monthly bill.

Who do I call if I have questions about the Aggregation Program?
