

Welcome to the
Columbia Township
Electric Aggregation Program

June 24, 2021

We are pleased to let you know that the Columbia Township has chosen Dynergy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In November 2011, Columbia Township voters approved an opt-out electric aggregation giving Township Trustees the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

Here's What You Can Expect

- The program is simple! You're automatically enrolled and there's no enrollment, switching or early termination fee.
- You'll receive a fixed rate of 4.93 cents per kWh through your August 2023 meter read. Or choose 100% renewable energy for 5.345 cents per kWh. Please call us for this option.
- Nothing will change! Continue to receive one monthly bill from your local utility, Duke Energy. You'll notice that Dynergy will now show as a line item for the supply portion on your bill.
- Duke Energy will send you a confirmation letter after your enrollment is finalized.

Just complete and return the reply card below or call Dynergy at 888-682-2170 by July 15, 2021. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by Duke Energy under its standard service offer or until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility.
