Dear Delhi Township Residents and Businesses,

Delhi Township is pleased to announce they have selected Dynergy as the preferred electricity supplier for their Municipal Electric Aggregation program. In May 2014, Delhi Township voters gave the Township Trustees the authority to form a governmental aggregation program to negotiate the most favorable electricity supply rate and terms for their residences and businesses. We are very proud to have been chosen to serve you!

**Program details:**

- o **Fixed Electricity Price** of 5.49¢ per kWh through your December 2020 meter reading
- o **One energy bill** from Duke Energy, your local utility.
- o **No cancelation fee at any time!**
- o **Green Energy Option Available:** Uses 100% Renewable Energy - 5.59¢/kWh through your December 2020 meter reading. Note for the green price, you'll need to call Dynergy (888-682-2170) to enroll in this option.

**Program Enrollment**

After your enrollment is finalized, Duke Energy will send you a letter confirming your enrollment and informing you of your ability to cancel your enrollment with no penalty.

**How to Opt-Out**

If you do not wish to participate, you must opt-out no later than **May 16, 2019**. You can do this by completing and returning the reply card below or calling us toll-free at 888-682-2170.

If you choose to opt out (not participate), you may do so at no charge during this initial enrollment period and you will not be served by Dynergy. If you become part of the aggregation, you may cancel the agreement at any time at no charge by providing notice to Dynergy. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by your utility under its standard service offer or until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility.
