Welcome to the  
**Hanover Township Butler County**  
 Electric Aggregation Program

Hi <Contact\_First\_NM>,

February 20, 2020

We are pleased to let you know that your community of the Hanover Township has chosen Dynergy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In November 2015, your community gave the Township Officials the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

**Here's What You Can Expect**

- The program is simple! You're automatically enrolled and there's no enrollment, switching or early termination fee.
- You'll receive a guaranteed, fixed rate of 4.77¢ per kWh through your April 2023 meter reading.
- Nothing will change! Continue to receive one monthly bill from your local utility, Duke Energy. You'll notice that Dynergy will now show as a line item for the supply portion on your bill.
- Duke Energy will send you a confirmation letter after your enrollment is finalized.

**Don't want to participate?**

Just complete and return the reply card below or call Dynergy at 888-682-2170 by March 12, 2020. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by Duke Energy under its standard service offer or until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility.
