

Welcome to the
City of Harrison
Electric Aggregation Program

June 21, 2021

We are pleased to let you know that the City of Harrison has chosen Dynergy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In November 2017, your community gave Harrison Council the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

Here's What You Can Expect

- The program is simple! You're automatically enrolled and there's no enrollment, switching or early termination fees.
- You'll receive a fixed rate of 4.775 cents per kWh through your August 2023 meter read.
- You should see the new price on your bill within two billing cycles of receiving this letter!
- You will continue to receive one monthly bill from your local utility, Duke Energy. You'll notice that Dynergy will show as a line item for the supply portion on your bill.

If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by Duke Energy under its standard service offer until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility.
