<<Address Block>>

<<post mark date>>

Dear Harrison Residents and Businesses,

We are writing to tell you about City of Harrison's new Electric Aggregation Program. In November 2017, Harrison voters gave the City of Harrison Council the authority to form a governmental aggregation program to negotiate a favorable electric supply price and terms for its residences and businesses. Harrison Council has selected Dynergy, a competitive retail electric service provider, as the electric supplier.

### Here's what to expect:

- You receive a **Fixed Electricity Price of 5.04 ¢/kWh** through **August 2021** meter reading.
- You will receive **one energy bill** including the Dynergy charge from Duke Energy, your local utility.
- After your enrollment is finalized, Duke Energy will send you a confirmation letter.
- You can leave the aggregation program without penalty, at any time.

### You're Automatically Enrolled

There is no cost to enroll and you may leave the program at any time for any reason without a termination fee by providing notice to Dynergy. Enrollment is automatic for those who are eligible, but participation is voluntary. You may opt-out of this program without penalty by **July 19, 2018**. Please see the enclosed terms and conditions for full details of the program.

### How to Opt-Out

If you do not wish to participate, please complete and return the reply card below or call Dynergy, the electric supplier, at 888-682-2170 by **July 19, 2018**. If you choose to opt out, you will be served by Duke Energy under its standard service offer or until you choose an alternative electric supplier. If you switch back to your local utility, you may not be served under the same rates, terms, and conditions.
