Dear Madison Township Residents and Businesses,

Madison Township is providing you with the opportunity to participate in in the Township's Electric Governmental Aggregation Program. Savings are possible through a concept called government aggregation, where Township Trustees bring together citizens to gain group-buying power for the purchase of Electric from a retail supplier. Both the Township and supplier are certified by the Public Utilities Commissions of Ohio. Township voters approved this program in May 2011.

During the past few months, we have researched options for competitive electric pricing for you. Madison Township is pleased to announce it has selected Dynergy as the preferred electricity supplier for its program.

**Program Details:**

- Fixed Electricity Price of 4.65¢ per kWh through your May 2023 meter reading.
- One energy bill from AEP Ohio, your local utility provider.
- No Fee to cancel at any time.
- By receiving this letter, you do not need to do anything to be a part of the program.
- AEP Ohio continues to deliver your electricity and maintain the electric lines and respond to emergencies.

**Program Enrollment**

After your enrollment is finalized, AEP Ohio will send you a letter confirming your enrollment. As required by law, this letter will inform you of your ability to rescind your enrollment with no penalty.

**How to Opt-Out**

If you do not wish to participate, you must opt-out no later than March 11, 2021. You can do this by completing and returning the reply card below or by calling 888-682-2170.

If you choose to opt out (not participate), you may do so at no charge during this initial enrollment period and you will not be served by Dynergy. If you become part of the aggregation, you may cancel the agreement at any time at no charge by providing notice to Dynergy. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by your utility under its standard service offer or until you choose an alternative supplier. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility.
