Dear Mansfield Residents and Businesses,

The City of Mansfield is offering you an opportunity to participate in their Electric Aggregation Program. In May 2010, Mansfield voters gave the Mansfield City Council the authority to form a governmental aggregation program to negotiate a favorable electric price and terms for its residences and businesses. Mansfield Officials have selected Dynegy, a competitive retail electric service provider.

Here's What to Expect:

- You receive a **Fixed Electricity Price of 4.915¢/kWh** through your July 2022 meter reading.
- **No cancellation fees at any time!**
- You receive **one energy bill** including the Dynegy charge from Ohio Edison, your local utility.
- After your enrollment is finalized, Ohio Edison will send you a confirmation letter.

Enrollment Information

There is no cost to enroll. Enrollment is automatic for those who are eligible, but participation is voluntary. You may opt-out of this program without penalty by **June 11, 2019** or leave the program at any time for any reason by providing notice to Dynegy. Please see the enclosed terms and conditions for full details of the program.
