Welcome to the
Miami Township Hamilton County
Electric Aggregation Program

Hi <Contact_First_NM>,

April 15, 2021

We are pleased to let you know that your community, Miami Township, has chosen Dynergy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In November 2012, your community gave the Board of Trustees the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

Here's What You Can Expect

- The program is simple! You're automatically enrolled and there's no enrollment, switching or early termination fee.
- You'll receive a guaranteed, fixed rate of 4.99¢ per kWh through your May 2023 meter reading.
- If you would like to choose 100% renewable energy for 5.09¢ per kWh, please call us for this option.
- You should see the new price on your bill within two billing cycles of receiving this letter!
- You will continue to receive one monthly bill from your local utility, Duke Energy. You'll notice that Dynergy will show as a line item for the supply portion on your bill.
