Welcome to the
Village of North Lewisburg
Electric Aggregation Program

Hi <Contact_First_NM>,

February 24, 2023

We are pleased to let you know that your community of the Village of North Lewisburg has chosen Dynegy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In November 2022, your community gave the Village Officials the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

Here's What You Can Expect

- The program is simple! You're automatically enrolled and there's no enrollment, switching or early termination fee.
- You'll receive a guaranteed, fixed rate of 6.975¢ per kWh through your December 2024 meter reading.
- You should see the new price on your bill within two billing cycles of receiving this letter!
- You will continue to receive one monthly bill from your local utility, AES Ohio. You'll notice that Dynegy will show as a line item for the supply portion on your bill.
