Welcome to the
 City of Sandusky
 Electric Aggregation Program

Hi <Contact_First_NM>,

February 17, 2021

We are pleased to let you know that the City of Sandusky has chosen Dynergy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In November 2000, the City of Sandusky gave the City Commissioners the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

Here's What You Can Expect

- The program is simple! You're automatically enrolled and there's no enrollment, switching or early termination fee.
- You'll receive a guaranteed, fixed rate of 4.650 cents per kWh through your April 2025 meter read.
- Nothing will change! Continue to receive one monthly bill from your local utility, Ohio Edison. You'll notice that Dynergy will now show as a line item for the supply portion on your bill.
- Ohio Edison will send you a confirmation letter after your enrollment is finalized.

If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by Ohio Edison under its standard service offer or until you choose an alternative supplier of electric service. If you switch back to Ohio Edison, you may not be served under the same rates, terms, and conditions that apply to other customers served by Ohio Edison.
