Dear Sandy Township Residents and Businesses,

Sandy Township is offering you an opportunity to participate in an Electric Governmental Aggregation Program. Sandy Township voters previously authorized the Township Trustees to form a governmental aggregation program and negotiate favorable electric supply prices for eligible residences and businesses. The Township recently selected Dynegy as the program supplier through your April 2020 meter reads. Both Sandy Township and Dynegy are certified by the Public Utilities Commission to provide this service. As an eligible resident or small business, you will be automatically enrolled in the program unless you choose to opt-out (not participate) by March 16, 2017.

Program Details:

- **Fixed Electricity Price** of \$0.0583 per kWh through your April 2020 meter reading.
- **One energy bill** from AEP Ohio, your local utility.
- **No Fee** to cancel at any time.
- AEP Ohio continues to deliver your electricity and maintain the electric lines and respond to emergencies.

Program Enrollment

After your enrollment is finalized, AEP Ohio will send you a letter confirming your enrollment. As required by law, this letter will inform you of your ability to rescind your enrollment with no penalty.

How to Opt-Out

If you do not wish to participate, you must opt-out no later than March 16, 2017. You can do this by completing and returning the reply card below or calling at 888-682-2170.

If you choose to opt out (not participate), you may do so at no charge during this initial enrollment period and you will not be served by Dynegy. If you become part of the aggregation, you may cancel the agreement at any time at no charge by providing notice to Dynegy. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by your utility under its standard service offer or until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility. For questions, contact Dynegy at DynegyCustomerService@dynegy.com or call 888-682-2170. Please see the enclosed Terms and Conditions for full details regarding the rate option and other terms of the program.
