Dear Springfield Township Residents and Businesses,

Springfield Township continues to offer you an opportunity to save on your electric bill! Since 2009, Springfield Township has worked with retail electric suppliers on favorable electric supply prices for eligible residences and businesses. Township trustees recently selected Dynegy as the program's new electric supplier. Both Springfield Township and Dynegy are certified by the Public Utilities Commission to provide this service. As an eligible resident or business, you will automatically be enrolled in the program unless you choose to opt-out (not participate) by **December 12, 2016**.

### Program details:

- **Fixed Electricity Price** of \$0.0550 per kWh through your January 2020 meter reading
- **One energy bill** from Duke Energy, your local utility.
- **No cancellation fee at any time!**
- Duke Energy continues to deliver your electricity and maintain the electric lines and respond to emergencies.

### Program Enrollment

After your finalized enrollment, Duke Energy will send a letter confirming your enrollment and informing you of your ability to cancel your enrollment with no penalty.

### How to Opt-Out

If you do not wish to participate, you must opt-out no later than **December 12, 2016**. You can do this by completing and returning the reply card below or calling us toll-free at 888-682-2170.

If you choose to opt out (not participate), you may do so at no charge during this initial enrollment period and you will not be served by Dynegy. If you become part of the aggregation, you may cancel the agreement at any time at no charge by providing notice to Dynegy. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by your utility under its standard service offer or until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility. For questions, contact Dynegy at [DynegyCustomerService@dynegy.com](mailto:DynegyCustomerService@dynegy.com) or call 888-682-2170. Please see the enclosed Terms and Conditions for full program details.

Regards,
