Welcome to the
City of Upper Sandusky,
Wyandot County
Electric Aggregation Program

February 21, 2022

Hi <Contact_First_NM>,

We are pleased to let you know that the City of Upper Sandusky has chosen Dynegy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In November 2021, members of your community voted in favor of government aggregation to give the City the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

Here's What You Can Expect

- The program is simple! You're automatically enrolled and there's no enrollment, switching or early termination fees.
- You'll receive a guaranteed, fixed rate of \$0.06970 per kWh through your December 2025 meter read.
- You will continue to receive one monthly bill from your local utility, AEP Ohio. You'll notice that Dynegy will show as a line item for the supply portion on your bill.

Just complete and return the reply card below or call Dynegy at 888-682-2170 by March 14, 2023. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by AEP Ohio under its standard service offer until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility.

With much appreciation,
