Dear Village of Wakeman Residents and Businesses,

Village of Wakeman is offering you an opportunity to participate in their Electric Aggregation Program. In May 2010, Village of Wakeman voters authorized the Village Council Members to form a governmental aggregation program to negotiate a favorable price and terms for electricity supply for Village residences and businesses. The Village Officials are pleased to announce that Dynegy has been selected as the Supplier for its program.

### Here's What to Expect:

- You receive a **Fixed Electricity Price of 5.49¢/kWh** through your December 2020 meter reading.
- **No cancellation fees at any time!**
- You receive **one energy bill** including the Dynegy charge from Ohio Edison, your local utility.
- After your enrollment is finalized, Ohio Edison will send you a confirmation letter.
- You can leave the aggregation program without penalty, anytime.

### You're Automatically Enrolled

There is no cost to enroll. Enrollment is automatic for those who are eligible, but participation is voluntary. You may opt-out of this program by **June 18, 2019** or leave the program at any time for any reason by providing notice to Dynegy. Please see the enclosed terms and conditions for full details of the program.

### How to Opt-Out

If you do not wish to participate, please complete and return the reply card below or call Dynegy, the electric supplier, at 888-682-2170 by **June 18, 2019**. If you choose to opt out, you will be served by Ohio Edison under its standard service offer or until you choose an alternative electric supplier. If you switch back to your local utility, you may not be served under the same rates, terms, and conditions.
