<<Address Block>>

Dear West Chester Residents and Businesses,

We are writing to tell you about West Chester Township’s Electric Aggregation Program. In November, 2005, West Chester voters authorized the Township Trustees to form a governmental aggregation program to negotiate a favorable price and terms for electricity supply for Township residences and businesses. West Chester Trustees have again selected Dynegy, a competitive retail electric service provider, as the supplier for the program.

Here’s What to Expect:

- You receive a **Fixed Electricity Price** of **5.17 ¢/kWh** through your **December 2021** meter reading.
- You receive **one energy bill** including the Dynegy charge from Duke Energy, your local utility.
- After your enrollment is finalized, Duke Energy will send you a confirmation letter.
- You can leave the aggregation program without penalty, at any time.

You’re Automatically Enrolled

There is no cost to enroll. Enrollment is automatic for those who are eligible, but participation is voluntary. You may opt-out of this program without penalty by **November 12, 2018** or leave the program at any time for any reason by providing notice to Dynegy. Please see the enclosed terms and conditions for full details of the program.

How to Opt-Out

If you do not wish to participate, please complete and return the reply card below or call Dynegy, the electric supplier, at 888-682-2170 by **November 12, 2018**. If you choose to opt out, you will be served by Duke Energy under its standard service offer or until you choose an alternative electric supplier. If you switch back to your local utility, you may not be served under the same rates, terms, and conditions.

For questions, contact Dynegy at DynegyCustomerService@dynegy.com, call 888-682-2170 or visit Dynegy.com/WestChester.

We look forward to providing this program.

Sincerely,

West Chester Trustees and Dynegy
