Welcome to the  
**City of Reading**  
 Electric Aggregation Program

Hi <Contact\_First\_NM>,

March 16, 2023

We are pleased to let you know that your community of the City of Reading has chosen Dynergy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In May 2014, your community gave the City Council the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

**Here's What You Can Expect**

- The program is simple! You're automatically enrolled and there's no enrollment, switching or early termination fee.
- You'll receive a fixed rate of 6.810¢ per kWh till May 2025.
- If you'd prefer 100% renewable energy for 7.210¢ per kWh till May 2025. Please call Dynergy at the number listed below to opt into this offer.
- You should see the new price on your bill within two billing cycles of receiving this letter!
- You will continue to receive one monthly bill from your local utility, Duke Energy. You'll notice that Dynergy will show as a line item for the supply portion on your bill.

Just complete and return the reply card below or call Dynergy at 888-682-2170 by April 6, 2023. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by Duke Energy under its standard service offer or until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility.

With much appreciation,
